

WEEKLY EARNINGS LOG

This form is for use as an earnings log for work performed during a continued claim week. Earnings are required to be reported during the week in which they were earned. Record your hours worked and enter the rate of pay. Gross wages are calculated by multiplying the total hours worked by the rate of pay. Enter any tips, commissions, or other type of pay for the day in which it was earned. You may copy this form for your records and additional copies can be found at UI.NV.GOV on the For UI Claimants tab in the I Want To section.
